We received a Notice to File Missing Parts of Application - No Filing Date (Form PTO-1532) sent from the USPTO on November 9, 1993, requesting an additional \$11 fee for extra claims, and the requirement that the Oath does not cover items required in the "Notice of Incomplete Application." in compliance with 37 C.F.R. § 1.63. However, the item missing in the Notice of Incomplete Application, Figure 4, is actually the result of misnumbering the figures and therefore, a figure was not omitted. Thus, since there are no missing figures, there is no need for a new Oath to be submitted. The figures will be resubmitted with the corrected numbers associated with the figures with the copy of the Notice of Incomplete Application.

Enclosed are the following: Check No. 49436 in the amount of \$76.00 (\$11 for the extra claims and \$65 for the Notice to File Missing Parts filing fee) calculated at the Small Entity Status rate; the USPTO's copy of the Notice to File Missing Parts (Form PTO-1532); and a copy of the signed Declaration filed in the USPTO on September 9, 1993.
